

CHILDREN AND YOUTH SUNDAY SCHOOL CLASSES

Pre-Kindergarten - K5

We strive to learn about Jesus and start an early relationship with him. We discuss all the many blessings that God has blessed us with. Each of these children have learned how God wants us to forgive and how to be kind to people. One way this Sunday school class has showed kindness is by sending homemade get well cards to members of the church who are sick or have lost loved ones. God is truly working through these children already!

Grades 1 - 5

Through Bible stories, games, songs, skits, etc. we are building a faith that is Rock Solid and is based on God's love and the teachings of Jesus. Mostly we have fun in Sunday school!!

Grades 6 - 8

This class meets in the Family Life Center. We learn lessons that can be used in everyday situations. The lessons help us become better Christians and spread God's word, while having fun.

Grades 9 - 12

This class meets in the Family Life Center. It is a discussion type group about dealing with peer pressure. Also about encountering God and meeting him face to face.

ADULT SUNDAY SCHOOL CLASSES

Seekers

The Seekers Class is a discussion based class aimed toward young adults. Our material helps with understanding God and how He is involved in our everyday lives.

E. D. Hooker

The E.D. Hooker Class, located in the Fellowship Hall, focuses on studying and sharing the scriptures through the Adult Bible Studies series in an informal, friendly fashion.

James Monts

The James Monts Class has been an important part of the life of the church, participating in church projects, local missions and caring for fellow church members. We celebrate these opportunities for ministry and the blessings God shares with us. Each time we gather, we dig deeper in our faith to help remain deeply rooted in God.

New Life

The New Life class studies the ageless stories and the timeless guidance found in Scripture. Through enthusiastic discussion and conversation the class attempts to discover how Christians in the 21st century can apply God's Word and the church's traditions to our daily lives.
